

More Cloud for Less

Explore ways to optimize cost and save money while taking advantage of more cloud resources.

Reduce migration costs with **Azure Hybrid Use Benefit**

- ▶ The Azure Hybrid Benefit is a pricing benefit for customers who have licenses with Software Assurance, which helps maximize the value of existing on-premise Windows Server and/or SQL Server License investments when migrating to Azure. *Actual savings may vary based on instance type and commitment term.*

40%

Savings up to 40% on Azure VMs (IaaS)

55%

Savings up to 55% on Azure SQL Database (PaaS) and SQL Server on Azure VMs (IaaS)

80%

Savings up to 80% when combined with Azure Reserved Instances

Save money when you **reserve resources** in advance

- ▶ Receive a discount on your Azure services by purchasing reservations. Commit to one-year or three-year reservations for compute or storage resources and get more cloud for less cost. *Actual savings may vary based on instance type and commitment terms.*
- ▶ There are options to give you flexibility. If you're not comfortable paying the bill upfront, you can enjoy monthly payment options at no extra cost. You also have the flexibility to exchange (change) or cancel (against fee) reservations at any time.

72%

Get discounts of up to 72% and plan for long-term success

Interested in how much you can **save?**
